MOBILE FIDELITY LP REVIEW

hi-fi news

September, 2011 edition

FRANK SINATRA
THE CONCERT SINATRA

Mobile Fidelity MFSL 1-345 (180g vinyl)

So obviously great that it's nearly a cliché. or maybe a truism, the recipe gives no quarter to the unconverted. Arranged and conducted by Nelson Riddle, check. Cocked hat, check. Snazzy threads, check. State-of-the-art recording using Westrex's 35mm film technology, check. Massive orchestra, check. And the material! Show tunes, each and every one of them. including 'Lost In The Stars'. 'You'll Never Walk Alone', '01' Man River' and his monumental 'Bewitched, Bothered and Bewildered' - the only complaint is that there are only eight of them. Although not rated as one of his very finest, by anyone else's standards this is a masterpiece - and sonically, too. **KK**
