Following on from the success of our Spike Feet Deluxe, Valh design and engineering team a challenge to develop a com spike shoe that pushed the envelope still further. The **Prestige**.

This top audiophile product embodies the best of Scandina respected for being refined, ingeniously simple yet totally pract

Achieving the optimal bell shaped profile resulted in an object that exhibits both high mass and a low centre of gra stable, highly efficient solid brass spike shoe.

The precise machine lathed receptacle is perfectly designed to receive all spike types currently on the market.
